

Good Morning President is an abridged version of the politics and lives of three different presidents: the older President Kim Jung-ho at the end of his term; the young President Cha Ji-wook, a skillful manipulator of foreign policy with great determination; and female President Han Kyuon-gja. They are distressed over the choices they must make between politics and ethics. Witness the affliction of Kim Jung-ho who wins the lottery, the agony of Cha Ji-wook who donates an organ, and the troubles of Han Kyuon-gja who faces the crisis of divorce.
